## CCCS Christmas Program

Mrs. McKeever has been working with students and they are getting ready to have this year's Christmas program on Thursday, December 19 at 6:30.

The students need to be here no later than 6:00 p.m. *There has been a bit of a change in the apparel the students are to wear. Mrs. McKeever would like them to wear "chapel" clothes.*

We would like to have each family bring cookies so we can serve some light refreshments after this program. This is a great time to get to talk with other parents.

The cookies should be here no later than Thursday afternoon. This will give us the opportunity to get them plated and set up.

Thank you in advance for bringing the cookies.

## Calendar Update

There is some confusion as to the school calendar. Here are the correct dates for December:

December 16-20—full days of classes

December 23-January 2—Christmas Vacation (we return to classes on January 2)

Sorry for any inconvenience this may have caused you.

# Thank You

A BIG thank you goes out to the volunteers that made the Christmas store possible for the students again this year.

There were ladies that shopped throughout the year for bargains, set up the store, worked at the store while it was open, wrapped gifts quickly and had them ready for the kids to take home the same day, and packed up the left-overs to be stored until next year.

The students really look forward to this store and I know the parents appreciate not having to take them shopping.

We are already looking forward to next year.

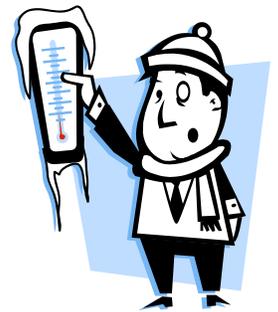

## It's Getting Cold Outside

With the weather quickly getting colder, it's time to remind you to make sure your child is dressed properly.

On most occasions when the temperature is 40 or above, the elementary students will be having recess outside.

There are only 2 teachers to supervise recess, so going inside because your child is not dressed properly is not an option. If a note is received that you don't want your child outside, they will not have an inside recess. They will have to sit at a desk and read or do something quietly.

We are sorry if this seems "harsh", but there are no adults available to monitor an inside recess.

## Cookie Dough Was Delivered—December 4

The cookie dough was delivered on Wednesday, December 4. If there are any problems with your orders, we need to know immediately.

These orders should have been delivered and you should have also collected the money when you delivered the items.

Please get this money to the office no later than Wednesday, December 11.

Thank you for doing your part in selling these items.

## Pie Orders to Be Delivered

ATTENTION: BASKETBALL PLAYERS!!!!

Your pie orders will be delivered on Wednesday, December 18 around 10:30. Mrs. Johnson will be sorting these orders and would appreciate any ADULT help that's available. There are 188 pies coming that need to be separated.

Please make arrangements to have these orders picked up by the end of the day, if they can't be sent home with the kids on the bus. The gym will be in use on Wednesday night for AWANA & teens, so all pies need to be taken by 3:30.

This is IMPORTANT.....the money for these pie orders is due to the school no later than Friday, December 20. This is the last day before Christmas vacation, so we want it all collected by then.

If you have any questions, please call the office or contact Don Deyarmin.
