Timely tuition payments are necessary in order for CCCS to meet its financial obligations.

REGISTRATION FEES are necessary to confirm your attendance for the following year and to provide the school with funds needed to buy supplies by the time school begins in August.. Registration fees are paid at re-enrollment or within one month of acceptance or before school begins, whichever is earlier for families.

TUITION may be paid in full by June 15 or made by monthly payments through FACTS which arranges automatic payments through a savings or checking account. There is a \$43 fee for this service.

Tuition reduction is available only through application for financial aid made through FFNA (Family Financial Needs Assessment). Financial aid is granted according to financial need. Returning families must file an FFNA application by April 30. Aid is granted on a yearly basis; financial aid applications must be re-filed every year. Applications may be made on-line or by mail. Contact the office for information.

BUILDING ASSESSMENT is to cover a portion of the cost of using the church's facilities.

CAMBRIA COUNTY CHRISTIAN SCHOOL POLICY STATES:

"Students whose accounts are 60 days past due will be dismissed fro the school. In the event I do not pay the total tuition due (for the year) on or before June 15th, I will sign a FACTS form and my tuition will be divided equally over the 12-month period from August to July and be deducted automatically from by bank account."

To set up future monthly payments on FACTS, to www.cambriacountychristian.net and go to the admissions tab. The link will be on that page.
